

## **Easy-to-understand science-based informational purposes only**

**AOD** - Leaner Body Research vs. L-Carnitine & Lipo-C

**BPC-157** - Tissue Healing & Tendon Repair Research vs. TB-500, KPV & LL-37

**CAGRILINTIDE** - (add-on to GLPs) Fat Loss Research vs. L-Carnitine & Lipo-C

**CJC-1295 DAC** - Leaner Muscle Research vs. Sermorelin

**DSIP** - (Delta Sleep-Inducing Peptide) & Opioid/Alcohol Withdrawal Research

**EPITHALON** - Anti-Aging Research vs. Thymalin & SS-31

**GHK-Cu** - Anti-Aging, Hair Growth & Skin Repair Research

**IPAMORELIN** - Muscle Growth & Recovery Research vs. GHRP2 & GHRP6

**KISSPEPTIN** - Reproductive Health & Fertility Research

**MELANOTAN II** - Skin Tanning Enhancing & Sexual Function Research

**MOTS-c** - Exercise Mimicking Research vs. AICAR & 5-Amino

**NAD+** - Cellular Energy & Repair Research

**PT-141** - Sexual Arousal in Men & Women Research

**SELANK** - Anxiety, Depression, PTSD & Cognitive Function Research

**SEMAX** - Memory Improvement & Brain Healing Health Research

**SS-31** - Anti-Aging & Energy Research

**TESAMORELIN** - Muscle Growth, Visceral Fat Loss & Fatty Liver Repair Research

**RETATRUTIDE (GLP3)** - Regulate Blood Sugar, Appetite Suppression, Metabolism

**TIRZEPATIDE (GLP2)** - Regulate Blood Sugar & Appetite Suppression

**SEMAGLUTIDE (GLP1)** - Regulate Blood Sugar
